Smartest on Parade points only go towards the **Smartest on Parade award**, they are not included in the ridden points.

The Turnout Harness class points are included in the **harness points** as no extra award is provided for this class.

All Intermediate Hack classes at the SPPHAWA shows go towards the Intermediate Hack award. If an Intermediate graded horse competes at any other point show any points gained will also go towards the Intermediate Award. If an Intermediate horse places higher than an Open graded horse those points will go towards the Open Hack award also.

Any points earned in Junior horse classes will only count towards Junior horse Awards, unless that Junior earns a Champion or Reserve against Senior Horses, then those points will be accredited to both Junior and Senior Horse Awards. If there are no seniors present then the Champion/Reserve points will again only be awarded to the Junior Awards. \* Junior to be classified as any horse 3 years and under for that current show season.

Points are calculated after each show and results will be published in each newsletter and posted on the website. Please check that you have been accredited with the appropriate points and if any discrepancies occur contact the Point's Officer immediately.
